

EO MA SI OI JS JUA

23 August 1963

Honorable John W. McCormack  
Speaker of the House of Representatives  
Washington 25, D. C.

Dear Mr. Speaker:

Following my conversation with [redacted] on 20 August  
about [redacted], she visited our Washington office for an  
interview.

[redacted] indicated that she is considering other employment  
possibilities and that her visit to our office was exploratory. She  
expressed particular interest in a position which would make use of  
her linguistic qualifications but which would also afford an opportunity  
for her to do creative writing. After explaining that we do not have  
any immediate vacancy which would fill these specifications, our  
representative suggested to [redacted] that she might want to explore  
opportunities in the Cultural Exchange Program administered by the  
Department of State. [redacted] indicated that she would get in touch  
with us if she did not find the type of position she desires elsewhere.

[redacted] has an unusual background and your referral of her  
to us was appreciated. If she should decide to look into the possibilities  
here further, we shall be glad to give her every consideration.

Faithfully yours,

(Signed) Marshall S. Carter
